2023 Presidents' Messages

Plans are well underway for the upcoming 169th Highgate Fair on Saturday September 30, 2023. Our theme for this year's fair is "Just a Touch of Country".

Get ready to join us for a day of fun in our community. We look forward to the parade to kick things off, pie auction, exhibits of homegrown crops, crafts, and baking, vendors, and of course the kids' activities – including the ever-popular pedal tractor pull. Stay tuned for some exciting new features!

On behalf of the Highgate District Agricultural Society, we would like to extend a huge thank you to all the generous sponsors and donors who have supported us this year, as well as those who have supported the fair in the past. It also takes a lot of dedication from many volunteers, so thank you to our great team of supporters!

Gather your friends and family and join us this year. We look forward to continuing the annual tradition of the Highgate Fair!

Rob Clark
President

The plans have been made and our volunteers are hard at work to bring you the 169th Highgate Fair. Our agricultural society has worked hard over the years to showcase the skills and accomplishments of rural families. This year is no exception. Exhibit or simply take in the sights. View the produce, culinary arts, needlecraft skills and crafts. Enjoy the parade, lively music, great food and fun for all ages.

Thank you to all our talented exhibitors, judges, enthusiastic volunteers and our very supportive community. Hope you all enjoy "Just a Touch of Country"!

A small group of volunteers is currently working to put together an archive of written and photographic items that span the history of the Highgate District Agricultural Society. If you have items that capture our history and you would like to share them with us, please email copies to: highgatedistricttagsociety@gmail.com

Alternatively, we could arrange to have items picked up and scanned (with originals returned) depending on the item. The older...the better!

Help us create an archive that celebrates the impact the Society has had on the local community.

The Farmer's Creed

By Frank Mann

I believe a man's greatest possession is his dignity and that no calling bestows this more abundantly than farming.

I believe hard work and honest sweat are the building blocks of a person's character.

I believe that farmers, despite its hardships and disappointments is the most honest and honorable way a man can spend his days on earth.

I believe my children are learning values that will last a lifetime and can be earned no other way.

I believe farming provides education for life and that no other occupation teaches so much about birth, growth and maturity in such a variety of ways.

I believe many of the best things in life are indeed free: the splendor of a sunrise, the rapture of wide open spaces, and the exhilarating sight of your land greening each spring.

I believe true happiness comes in watching your crops ripen in the field, your children grow tall in the sun, and your whole family feel the pride that springs from their shared experience.

I believe that by my toil I am giving more to the world than I am taking from it, an honor that does not come to all men.

I believe my life will be measured ultimately by what I have done for my fellow man, and by this standard I fear no judgment.

I believe when a man grows old and sums up his days, he should be able to stand tall and feel pride in the life he's lived.

I believe in farming because it makes all this possible

Every Thing On It

I asked for a hot dog
 With *everything* on it,
 And that was my big mistake,
 'Cause it came with a parrot,
 A bee in a bonnet,
 A wristwatch, a wrench, and a rake.
 It came with a goldfish,
 A flag, and a fiddle,
 A frog, and a front porch swing,
 And a mouse in a mask -
 That's the last time I ask
 For a hot dog with *everything*.
